About RedVector

Since 2000, RedVector has set the standard for excellence in online education for licensed and certified professionals in the design and construction industry. With an online library exceeding 1,100 courses, authored by more than 100 subject matter experts, we serve more than 600,000 design and construction professionals in all 50 states.

If you are interested in learning more about RedVector and how we have helped leading associations like AGC, ABC, NSPE and many others develop and manage their successful online reseller programs, please call for DEMO. It will be time well spent!

Course Categories

Our courses cover the following categories:

- Sustainable / Green Design
- Construction Safety
- Electrical
- Professional Development & Soft Skills
- Civil & Structural
- Architecture, Interiors & Design
- Water, Wastewater & Stormwater
- Bridge & Roadway
- Project Management

Plus, ask about our Channel Partner Solutions which allow you to resell our courses in your own SCORM or AICC Learning Management System.

Drive Additional Revenue with our Fully Hosted and Supported Solution!

At RedVector, we seek reseller partnerships with corporations and organizations who share our commitment to providing the highest quality online education for engineers, architects, contractors, interior designers, land surveyors, and other professionals in related industries. Our industry leading reputation, proven results and extensive library offer you the best opportunity for success.

Our reseller solutions are fully hosted and supported by RedVector, allowing you to concentrate on attracting customers & generating revenue! There is an optional Branded Online University designed to match the look and feel of your website. We even have sales support to further enhance your revenue potential.

"This is an excellent program for us. The course content appeals to our audience and RedVector is great to work with."

- Chris Tilley
Marketing Director
NSPE

"Excellent professional training and continuing education courses... well planned and fun learning."

- Joseph Furco
Civil Engineer
Northville, NY
